Summer 2012

**Another memorable time at the  
32<sup>nd</sup> Annual Oilmen's Golf Tournament**

Under clear blue skies and hot temperatures, 144 participants flexed their skills, a ton of laughs, great prizes, and friendly but stiff competition for the duration of the event.

"We had a great week, and the weather we've had all summer continued into August" says Organizing Committee Chair, Vic Komori. "The course setup tested even the most skilled golfer and with the hot temperatures and keeping the guys hydrated, play was a little slower than previous years but all in all it was another great tournament". With its raving success from previous years we were pleased to offer again an elimination draw prize for a brand new Golf Cart, and it stayed in Fort Nelson, won by local member, Wayne Graham.

The most formidable highlight year after year, is the support from the oil & gas and business communities for all Petroleum Association events. Their participation is key to our success, and as always we are much appreciative of their continued involvement. **Thank you sponsors!**

*A crowd favourite again this year was the Qwest Helicopters Ball Drop won by Dean Weber; but the real winners again this year were Kidsport Fort Nelson, represented by Lorraine Gerwing shown accepting cheque for \$1350 from organizing committee member Jeff Thompson*

*Golf Cart Winner Wayne Graham enjoys a tour of the course on his new cart!*

Something new this year was a live auction for box suite for Edmonton Oiler game of choice generously donated by Rosenau Transport. The bidding war was fast & furious and was ultimately shared by Dan Kerr and Curtis Rogers for \$12,000.00. All proceeds of the auction were then donated to the Northern Rockies Seniors Society. Thanks again to Carl & Ken Rosenau for their continued generous support of our event.
