The FNPA Pipeline

Summer 2018

Another memorable time at the 38th Annual Oilmen's Golf Tournament

Under beautiful clear skies, 56 participants flexed their skills, a ton of laughs, great prizes, and friendly but stiff competition for the duration of the event.

"We had a great week, and the weather was fantastic" says the Organizing Committee. "As always, the course was in excellent shape thanks to the hard work of Brian Conway and his crew. Louise Schindler and her staff did an amazing job supplying food and refreshments to all the players throughout the tournament. Despite the economic hardship that continues to affect Fort Nelson, the support from our sponsors contributed to yet another successful tournament".

The most formidable highlight year after year, is the support from the oil & gas and business communities for all Petroleum Association events. Their participation is key to our success, and as always we are much appreciative of their continued involvement. **Thank you sponsors!**

*A crowd favorite again this year was the **Qwest Helicopters** Ball Drop won by Dave Zoerb.*

Carts line up behind Hole #9 to cheer on the flight finalists as they complete their round on Saturday afternoon.
