Another Successful Curling Bonspiel!

The Fort Nelson Petroleum Association held its 47th Annual Curling Bonspiel March 13—18, 2019. 12 teams with a total of 48 curlers participated with the objective of having a great time, and they did!!

Again this year we held the popular team elimination draw for a weekend fishing trip, which was won by the T&M Plumbing team, hope you have a great trip!! The fishing trip was provided by Villers Air Services.

The association presented Peter Villers with an appreciation plaque recognizing Villers Air's 21 years of continuous sponsoring of this event.

The bonspiel started on Wednesday night for registration and appys. With only 12 teams registered we decided to have our own Brier event with 2 pools of 6 teams, round robin format with 1st in Pool A playing 1st in Pool B for the “A” event final, 2nd A vs 2nd B for “B” event final, 3rd A vs 3rd B for “C” event final, 4th A vs 4th B for “D” event final and 5th A vs 5th B for “E” event final. The five event finals were played on Saturday afternoon and saw some great action.
