Summer 2019

Another memorable time at the 39th Annual Oilmen's Golf Tournament

"We had a great week, and the weather could have been worse as witnessed on Sunday morning" says the Organizing Committee. "As always, the course was in excellent shape thanks to the hard work of Brian Conway and his crew. Louise Schindler and her staff did an amazing job supplying food and refreshments to all the players throughout the tournament. Despite the economic hardship that continues to plague Fort Nelson, the overwhelming support from our sponsors contributed to yet another successful tournament".

The most formidable highlight year after year; is not possible without the support from the Oil & Gas and business communities for our Petroleum Association events. Their participation is key to our success, and as always we are much appreciative of their continued involvement.

Thank you sponsors!

50/50 winner, Wesley Heal with Stewart Sawin, 2019 Tournament Golf Coordinator

*3" of snow blanketed the golf course Sunday morning after the tournament.
We were very lucky!*
