Another Successful Curling Bonspiel!

The Fort Nelson Petroleum Association held its 48th Annual Curling Bonspiel March 11 - 14, 2020. 10 teams with a total of 40 curlers participated with the objective of having a great time, and they did!!

Again this year we held the popular team elimination draw for a weekend fishing trip provided by Villers Air Services won by the Energetic Services team, hope you have a great trip!!

The bonspiel started on Wednesday night for registration and appys. With only 10 teams registered we followed last year's Brier format with 2 pools of 5 teams, round robin format with 1st in Pool A playing 1st in Pool B for the “A” event final, 2nd A vs 2nd B for “B” event final, 3rd A vs 3rd B for “C” event final, 4th A vs 4th B for “D” event final. The four event finals and consolation final were played on Saturday afternoon and saw some great action.
