The FNPA Pipeline

Summer 2021

Another memorable time at the 41st Annual Oilmen's Golf Tournament

56 participants flexed their skills, had a ton of laughs, enjoyed great prizes, and friendly but stiff competition for the duration of the event.

"We had a great week; the weather was cool but held up for the most part" says the Organizing Committee. "As always, the course was in excellent shape thanks to the hard work of Brian Conway and his crew. Louise Schindler and her staff did an amazing job supplying food and refreshments to all the players throughout the tournament. Despite the economic hardship that continues to affect Fort Nelson, the support from our sponsors contributed to yet another successful tournament".

The most formidable highlight year after year, is the support from the oil & gas and business communities for all Petroleum Association events. Their participation is key to our success, and as always we are much appreciative of their continued involvement. **Thank you sponsors!**
