**Another memorable time at the
33rd Annual Oilmen's Golf Tournament**

Under clear blue skies and hot temperatures, 144 participants flexed their skills, a ton of laughs, great prizes, and friendly but stiff competition for the duration of the event.

"We had a great week, and the weather was hot hot hot" says Organizing Committee Chairman, Vic Komori. "As always, the course was in excellent shape thanks to the hardwork of Brian Conway and his crew. Thursday's play was a little slow but with the knowledge of next year's T-time changing to 6:00 am if it didn't pick up, was better Friday and Saturday. It was another great tournament". With its raving success from previous years we were pleased to offer again an elimination draw prize for a brand new Golf Cart, and it stayed in Fort Nelson, won by local member, Chris Hall.

The most formidable highlight year after year, is the support from the oil & gas and business communities for all Petroleum Association events. Their participation is key to our success, and as always we are much appreciative of their continued involvement. **Thank you sponsors!**

A crowd favorite again this year was the Qwest Helicopters Ball Drop won by Yale Haayer; but the real winners again this year were Kidsport Fort Nelson, represented by Danielle Morine shown with Yale, each receiving cheque for \$1140.00

Player Grand Prize Winner Chris Hall enjoys his new golf cart with Organizing Committee members Craig Reimer and Dave Giddings
