Fall 2011

**Another memorable time at the
31st Annual Oilmen's Golf Tournament**

With a balanced mix of warm days and cool nights, 144 participants flexed their skills, a ton of laughs, great prizes, and friendly but stiff competition for the duration of the event.

"We had a great week, and the weather held for the most part" says Organizing Committee Chair, Vic Komori. "The rain and cold on Wednesday night cancelled the late night horse race but some 20 guys braved cool temperatures to race on Thursday night and challenge for the Longest Drive on Friday night". With its raving success from previous years we were pleased to offer again an elimination draw prize for a brand new Golf Cart, and for the first time it is staying in Fort Nelson, won by local member, Bill Henderson.

The most formidable highlight year after year, is the support from the oil & gas and business communities for all Petroleum Association events. Their participation is key to our success, and as always we are much appreciative of their continued involvement. **Thank you sponsors!**

A crowd favourite again this year was the Qwest Helicopters Ball Drop won by James Young (brother Tyler accepting on his behalf); but the real winners were Kidsport Fort Nelson, represented by Danielle Morine shown accepting cheque for \$1600 from organizing committee chairman Vic Komori

Golf Cart Winner Bill Henderson enjoys a tour of the course on his new cart!

The Fort Nelson Petroleum Association donates funds raised from their events to the community for worthwhile capital projects. To date over **\$110,000** has been contributed. Last year \$10,000 was donated to the Northern Rockies Senior's Society to assist in the building of a senior's assisted/supported housing facility in Fort Nelson. The Petroleum Association also contributes \$1,000 annually through a scholarship to a worthy FNSS student. **If you are interested in becoming a member of the Petroleum Association or in participating or in sponsoring an event, please check the FNPA website at www.fortnelsonpetroleumassociation.com**
